Yaraslau Haponenka

Junior Java / Backend Developer

Minsk, Belarus
Phone: +375 33 344 20 00 | Email: gaponenkoyaa@gmail.com
LinkedIn: linkedin.com/in/yaraslau-haponenka | GitHub: github.com/gaponjk

Education

2023 – 2027: Bachelor's Degree

Belarusian State University (BSU), Faculty of Applied Mathematics and Computer Science (FAMCS)
Specialization: Software Engineer / Mathematician

Technical Skills

- **Programming Languages:** **Java** (**Java Core**, **Collections Framework**, **Generics**, **Stream API**, **Concurrency**, **Multithreading**), **SQL**.
- **Frameworks & Libraries:** **Spring Framework** (**Spring Boot**, **Spring Web / MVC**, **Spring Data JPA**, **Spring Security**), **Hibernate**, **Jackson**, **Lombok**.
- **Databases:** **PostgreSQL**, **SQLite** (relational schema design, entity relationships, transactions, indexing).
- **Testing & Build Tools:** **JUnit 5**, **Mockito**, **Git**, **Maven**, **Gradle**.
- **Networking & Protocols:** **OSI** / **TCP/IP** models (**HTTP/HTTPS**, **TCP**, **UDP**, **DNS**, **DHCP**, **REST API**).
- **Environments & OS:** **Linux** (**Ubuntu** / **WSL**), **Windows**, **IntelliJ IDEA**.

Projects & Practical Experience

Academic & Training RESTful Services and CLI Applications

Stack: Java, Spring Boot, Spring Data JPA, PostgreSQL, Maven, Git

- Designed layered architecture (Controller, Service, Repository) to handle incoming HTTP requests.
- Implemented CRUD endpoints, data validation, and database integration (PostgreSQL) using Hibernate ORM.
- Developed multithreaded utilities utilizing synchronization primitives, thread pools (`ExecutorService`), and thread-safe collections.

Additional Education

- **JavaRush:** Comprehensive practical Java training (Core, Collections, Multithreading, Serialization, Databases).
- **Computer Networking (Self-study):** Network stack study based on "Computer Networking: A Top-Down Approach" (J. Kurose, K. Ross).

Languages

English: **B1–B2** (technical documentation, professional literature)
German: **B2**
Russian: Native

Soft Skills

Analytical mindset, strong mathematical background, responsibility, attention to detail.
